Our experienced guide will lead you to extraordinary views high above the Snake River with the makings of a postcard. Bring your camera to capture the memories. www.mountainriverranch.com **SOLD OUT!**
2. _____ **Heise Zipline (limited to 20 guests)...\$40:** Heise Zip is our newest attraction here at Heise! If fun, adventure, and excitement is what you're looking for then you have come to the right place! We have created a zipline tour that consists of 7 ziplines which cover almost a mile of terrain! Experienced guides will give a brief orientation of the tour, get you geared up with all the safety equipment, and take you on a short ride in one of our awesome Heise Zip utility vehicles up to the first zipline (first zipline is 800 ft. long.) Our tour is designed so that our guides do all the work so you can take in the whole experience of this adrenaline pumping, jaw dropping thrill ride! Plan to spend up to two hours (depending on size of group) for this adventure as you learn about the history of Heise and take in the beautiful mountains and gaze down at the valley and river below. www.heisehotsprings.net
3. _____ **Heise Hot Springs...\$9:** Heise Hot Springs is a natural mineral hot spring, kept at a temperature of around 104 degrees. It is perfect for soaking those sore muscles and joints, sitting and relaxing, or just to warm up from the cold during the winter! We also have a warm pool, which is fresh water and kept around 92 degrees. www.heisehotsprings.net
